Description

A very nice wood-burning stove by Godin Lemaire, in Guise in the 02 department. Right next to the famous Familistère... This is model 39 from the 1885 catalog, in perfect condition, fully functional, and it works like a charm... I can tell you, we had one at my dad's house... we even used to grill food in it during the winter... ideal as supplemental heating or as a decorative piece. It's waiting for you... Less of a hassle than a fireplace, but just as much of an open fire.... Shipping available worldwide
