

Set Of Two Cake Pans, Copper, France, 19th Century

220 EUR

Period : 19th century

Condition : Très bon état

Material : Copper

Description

A set of two cake molds: one is a circular, twisted-pattern mold made entirely of copper, with beautiful riveting; the other sits on a square base, half copper and half iron, its shape resembling that of a rhomboidal pyramid. French craftsmanship from the first half of the 19th century. Very pleasant antique patina, in excellent condition. This set must be sold as a pair. Dimensions: L 11.5 cm x W 11.5 cm x H 11 cm D 16 cm x H 8 cm Free shipping to mainland France. Please contact me by email if possible. I am available to provide further information.
