Description

Vintage Art Deco table lamp (circa 1930), characterized by its stylized, cubist animal motif. The patinated metal base depicts three cats, rendered in a bold geometric style, leaning against a central square-sectioned rod. They rest on a multi-lobed platform, all secured to a thick circular base made of Portor marble. The lamp is topped by a large spherical shade made of satin-finished, crackled glass--a technique typical of the period--which diffuses a soft, textured light. The upper mount is an ornate metal claw. In excellent working condition and presentation. Shipping within France: 30 euros
