1 950 EUR

Signature : Mathurin MÉHEUT

Period : 20th century

Condition : Bon état

Material : Earthenware

Diameter : 21 cm

Description

A rare set of six dessert plates with a marine motif.Plates with a polychrome enamel design on a cream-white background, adorned in the center with stylized seashells and marine animals.Painted in a palette of blue and yellow, enlivened by small stars, bubbles, and decorative elements evoking the marine environment, broad wavy lines suggest the movement of water.On the reverse, a handwritten mark reading "HENRIOT QUIMPER" accompanied by Mathurin MÉHEUT's "MM" monogram.Diameter: 21 cmThe set presents a beautiful overall appearance. However, two plates have an old chip on the rim visible on the reverse side, and another has a trace of firing irregularity.
