Description

A pair of Antique 18-carat Gold earrings with Coral Drops. A classic design ideal for everyday wear. Attention has been paid to the smallest detail with decorative Gold work both below and above the Coral Drop. Although the set is in good overall condition, the Coral Drops have a few barely visible scratches and marks; as these are antique pieces, this is quite normal. The ear fittings have most likely been replaced with hooks over time. They are not hallmarked, but have been tested and are guaranteed to be 18-carat Gold. Dimensions Weight 6.39g Length 4.2mm Width 12mm (measured across only) Comes with a warranty certificate and in a new box. Free shipping in France.
