Description

Walnut Craft Cabinet with Writing Desk - Restoration Period - 19th CenturyA beautiful and original walnut craft cabinet from the Restoration period, first half of the 19th century.The upper section of this professional cabinet features a slanted flap that forms a writing desk, opening to reveal ample storage space. The central section has four drawers arranged in two rows, fitted with turned knobs.The lower section is fitted with numerous vertical filing compartments designed to hold files, documents, or ledgers. This distinctive layout attests to its professional function and suggests it was once used in a notary's office, a government agency, or a commercial firm.Crafted from walnut, it features a beautiful warm hue and an antique patina that highlights the authentic character of this piece.
