Description

Thai wooden statue depicting a meditating Lanna Buddha. Wooden statue covered with a layer of weathered gold-colored paint, in the classic Lanna style. The Buddha is seated in a meditative posture, with both hands resting on his knees, palms facing upward. The Thai style is characterized by the refined, pointed flame on the head, the simplified facial features with the gaze turned downward, and the gracefully finished base. The golden patina covering the dark wooden base gives the piece a warm and authentic look. 26 cm wide, 14 cm deep, and 47 cm tall. Total weight: 2.8 kg. Thai handicraft from the first half of the 20th century.
