Description

Totem 42035 outdoor floor lamp, designed by Gae Aulenti for Stilnovo in 1976. Made of gray ABS, it consists of a tall cylindrical shaft topped by two spherical diffusers made of opal polycarbonate, each 28 cm in diameter. Originally designed for outdoor use, the Totem reflects the research conducted in the 1970s on plastics and lighting that is both functional and sculptural. Fully functional. Edition: Stilnovo, Italy, 1976.
