

Three-stone Diamond Ring - 18-karat Yellow Gold, 2.20 Ct Natural Diamonds

4 905 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

An exceptional three-diamond ring, crafted in rich 18-karat yellow gold, set with three natural Victorian-cut diamonds totaling approximately 2.20 carats. The impressive center diamond is graded approximately H in color and VS-SI in clarity, beautifully complemented by a pair of natural yellow diamonds on either side. The warm yellow gold setting highlights the distinctive color of the side diamonds while emphasizing the character and charm of the vintage cuts. Total diamond weight: 2.20 ct
Diamond color: H--natural yellow
Diamond clarity: VS-SI
Ring width: 2.5 mm
Head width: 7.1 mm
Head length: 19.44 mm
Total weight: 9 g
Ring size: NTSMS11021
