Description

A large French mirror dating from the late 19th century, embellished with an elegant frame of carved wood gilded with gold leaf. The frame, richly carved with classical motifs in relief, features an original patina that enhances its charm and period authenticity. The mirror, large and luminous, retains subtle traces of age that attest to its antiquity, adding character and historical value to the piece as a whole. Perfect as a focal point in a living room, entryway, or bedroom, this mirror adds elegance, depth, and light to any space, blending seamlessly into both classic settings and more contemporary interiors seeking a touch of prestige. A piece with great visual impact, ideal for collectors and lovers of period furniture.
