Description

Forget bland, beige interiors and furniture lacking grace or movement--rediscover the Napoleon III style! With its swirling flourishes, exotic wood featuring infinite tonal variations, molded shelves, and incomparable presence, it is truly breathtaking.

The turned wood uprights, featuring a twisted pattern, are polished and bear a rich patina developed over time. The rosewood displays a remarkable palette of shades on a single piece, ranging from tobacco tones to flame-like figuring. Is the piece's function outdated? Absolutely not. Everyone needs a shelf unit, and this one is far more elegant than what you'll find in your friends' homes. This beautiful, enchanting shelf unit is also in excellent condition.
