Description

Welcome to my shop. A beautiful French wax seal made of solid bronze, signed by M. Bertin. This elegant, sculptural desk accessory likely dates from the late Art Nouveau or early Art Deco period, around 1910-1925. The seal's matrix remains blank and bears neither a monogram nor a coat of arms. It could therefore still be personalized by a specialized engraver. The seal is presented in its original case, which enhances its decorative appeal and collectible value. The bronze features a beautiful natural antique patina. In good antique condition, with slight signs of age and use. Please examine the photographs carefully, as they are an integral part of the description. Dimensions: Seal height: 7.8 cm Maximum width: 2.5 cm Weight: 97 grams Case: 10.7 × 5.4 × 3.5 cm An elegant
