Description

1940s mirror, a contoured wall mirror featuring a gilded metal frame and rich ornamental decoration. The upper portion features a prominent decorative element with floral motifs and two facing birds, surmounted by a small central vase/frieze. On either side of the frame are hanging festoons and leaf motifs, crafted with great attention to detail, which give the piece a particularly striking appearance. Dimensions: height 60 cm, width 62 cm. There is a small chip on the right side, which does not detract from the object's charm.
