Description

A stunning and luminous Art Deco-era oil on canvas (circa 1930) depicting a seated female nude, painted by the renowned Hungarian artist Mária Szánthó (1897-1998). The work captures a young nude woman seated in a graceful, pensive pose on a rich two-tone blue and yellow drapery, elegantly contrasting with a dark, textured background. The rendering of the skin, with its warm, powdery tones, demonstrates the artist's academic mastery in highlighting the curves of the female form, blending subtle realism with striking touches of romanticism.A former high-level pianist, Mária Szánthó infuses all of her nudes with an almost musical harmony through the play of light (a masterful chiaroscuro that highlights her model's snow-white body) and vibrant color harmonies.o Signature: Signed
