## Description

English mahogany folding-top table - 19th centuryElegant English mahogany folding-top table, 19th century.It features a beautiful mahogany top with two folding panels, allowing for easy adjustment of its footprint. The top has a particularly elegant shape, with rounded and slightly scalloped edges.The table rests on four straight, tapered legs, accented with fine moldings characteristic of the simplicity and refinement of English furniture.The mahogany has a beautiful warm hue and an antique patina, with the small marks and signs of wear typical of a piece from this period.An elegant and functional table that can be used as a dining table, side table, or coffee table.Period: 19th centuryOrigin: EnglandMaterial: mahoganyHeight: 68 cmWidth: 100 cmDepth:
