Description

An oil painting on canvas of remarkable decorative impact, depicting an elegant courtly gathering set in a large garden, featuring numerous figures in 18th-century attire--ladies and gentlemen, musicians, dancers, and groups engaged in conversation and courtship. The scene is set in a refined architectural setting characterized by large arches, columns, statues, balustrades, and a fountain, with a vast, tree-lined landscape in the background. A work of Flemish/Dutch origin, dating from the late 18th to the early 19th century. Painting executed in oil on canvas, subsequently mounted on a stretcher. The work has been cleaned at our workshop and is ready for display, requiring no further restoration. Canvas dimensions: 107 × 90 cm.
