

Pair Of Danish Bronze Candlesticks From The Mid-18th Century

1 200 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

Height : environ 20 cm.

Description

A pair of Danish gilded bronze candlesticks, with baluster shafts decorated with subtle twisted ribs and bases featuring a contoured rim and stepped sections. Mid-18th century. For a pair of similar candlesticks, see Christie's Amsterdam, April 1, 2009, lot 20. Beautiful mercury gilding with slight oxidation from use.
