Italian Lacquered And Gilded Frame - Late 17th Century / Early 18th Century

800 EUR

Period : 18th century

Condition : Très bon état

Material : Painted wood

Description

An elegant Italian frame made of carved, lacquered, and gilded wood, crafted between the late 17th and early 18th centuries. The frame retains a charming antique patina, with gilding and lacquering that enhance its character and authenticity. The back, crafted from antique solid wood panels and wrought-iron hardware, attests to the quality of its construction and the period in which it was made. It is in excellent overall condition, with normal signs of aging fully consistent with its age, which enhance its historical charm. An important period frame, ideal for showcasing an antique painting or as a prestigious decorative element for classical interiors and antique collections. Dimensions
