Description

Baroque carved and gilded wood frame. Tuscany, 17th century. Clear opening 48 x 70 cm - Rebate 54 x 75 cm - Overall 68 x 88 cm. Carved and gilded wood throughout. The frame features a profile articulated across several carved mouldings: the inner band is decorated with half-round ovoli, the outer band with fluting, both secured at the corners by closed leaf elements. The gilding, applied over a preparation ground, has developed a uniform patina consistent with the age of the piece. The decorative repertoire and profile structure are characteristic of 17th century Tuscan frame production. Condition report: Generally good state of preservation. Minor losses to the carved ornament and wear to the gilding are present, consistent with the age of the piece. All shipments within the EU are free and
