

Fireplace Mantelpiece In Gilded Bronze And Faceted Crystal, Napoleon III Period--louis XVI Style

6 400 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

A large, finely chiseled and gilded bronze mantelpiece set, adorned with beveled crystal panels, consisting of a clock and a pair of large seven-light candelabra. The set features a rich decoration of laurel garlands, ribbons, musical trophies, acanthus leaves, and floral motifs; the beveled crystal panels lend lightness, transparency, and refinement to this remarkable mantelpiece. Dimensions:- Clock: H. 56 × W. 36 × D. 26 cm- Candelabra (pair): H. 65 × W. 31 × D. 28 cm In very good condition. A set of exceptional craftsmanship, making a striking impression.
