Description

Pair of large Canton porcelain and gilded bronze lamps - 19th century A striking and elegant pair of baluster vases in Canton porcelain, China, second half of the 19th century, later converted into lamps. Rich polychrome decoration featuring scenes of figures, flowers, and birds in the "Famille Rose" style. Sumptuous gilded bronze mounts in the Louis XV style, adorned with flowing handles, foliage, and rocaille motifs. Electrified and topped with large red pleated lampshades. In good overall condition, with signs of age. Dimensions: Total height: 75 cm Height of vases: 38 cm Width of vases: 22 cm Option to purchase the pair without the lampshades: EUR500 will then be deducted from the listed price.
