Description

Pair of vintage rattan armchairs - Beautiful, high-quality finish. A very beautiful pair of vintage rattan armchairs with a warm and elegant design. We particularly love their high, rounded backrest and the curved woodwork, as well as their ornate armrests and generous seat. The weaving and the numerous binding details attest to high-quality craftsmanship. Their natural honey hue adds a lot of warmth to any decor. They'll fit perfectly in a vintage or boho-chic interior, a country home, a sunroom, or a living room. A charming pair, also ideal for creating a lovely reading nook or serving as two accent chairs around a coffee table. Height: 90 cm. Dimensions: 60 x 60. Seat height: 42 cm Era: vintage, 1960s/70s Material: rattan Sold as a pair Condition: Good vintage condition, with a few signs of age
