Description

Carved and gilded wood frame. Venice, 18th century. Clear opening 32 x 24 cm - Rebate 34 x 26 cm - Overall 52 x 44 cm. Carved and gilded wood throughout. The frame is of Rococo type, with a band profile carved with vegetal and floral motifs, enriched by applied elements at the sides. The pierced crest, of considerable height, is carved with rocaille motifs featuring volutes, leaves and a central shell. The gilding, applied over a preparation ground, retains its warm tonality with diffuse patination consistent with age. Condition report: Generally good state of preservation. Some old repairs are present. All shipments within the EU are free and professionally packaged. This item is sold with a legally valid certificate of authenticity.
