Description

Daum Nancy - Small miniature vase with winter landscape design - Art NouveauA charming small miniature vase signed Daum Nancy, made of glass in beautiful shades of amber, brown, and white. The design depicts a delicate winter landscape, featuring bare trees set against a background of warm shades of ochre and amber. The snow-covered ground, rendered in white tones that contrast with the dark silhouettes of the trees, adds great depth and a poetic touch to this small piece. The vase features an elegant flattened oval shape, particularly appealing for its proportions and small size. The base bears the signature "Daum Nancy" accompanied by the Cross of Lorraine, which is clearly visible.
