A 24-piece cutlery set--12 table knives and 12 cheese knives--with mother-of-pearl handles and solid silver ferrules and pommels. An elegant set that pairs easily with a variety of styles; the classic or neoclassical design complements Louis XIV-style cutlery--or even Regency, Louis XVI, or Empire styles--just as well. One table knife is more fragile, with a reattached blade (the one with the black "HG" monogram). In excellent condition. Sold in their original numbered case. Table knives: 23.3 cm Cheese knives: 19 cm
