Description

Coffee Table / Writing Desk - 18th Century
Elegant 18th-century writing desk, entirely veneered in rosewood with marquetry, featuring rich and contrasting grain patterns. It opens with a front drawer fitted with a gilded bronze ring. The tabletop, with a molded rim, features a reddish-brown leather inlay at its center, accented by a delicate decorative frieze. It rests on four slender, curved legs, adorned with a remarkable rosewood veneer design that highlights the delicacy of the marquetry. A very beautiful 18th-century parlor table or writing desk, elegant in its proportions and the quality of its rosewood decoration.
