Description

A beautiful mid-century vintage desk from the 1950s, 1956, featuring marquetry and metal. A very interesting piece of furniture, in excellent condition--we replaced the top covering. Its proportions--127 in length--and lines exude great elegance, particularly thanks to the black and gold metal cross-braced legs. The back design is also noteworthy, allowing this lovely piece to be placed in the center of a room. A rare piece, this desk will serve as a beautiful centerpiece in any elegant interior. Delivery available via a professional, specialized carrier. Invoice and certificate included. Pickup is available on-site at Mas d'Avalrich, Montéscot 66200, tel. 0611142533, where our items have been stored in our warehouse for over 35 years.
