Monumental Rotating Napoleon Vase In Faience And Gilt Bronze - 19th Century

6 500 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Description

An important and rare large covered "revolving" vase in fine crackled faience (antique ceramic) in the Sèvres style, featuring a deep cobalt blue background richly highlighted with gold gilt. A monumental display piece with exceptional decorative presence.The body features a remarkable 360-degree continuous hand-painted scene depicting Napoleon I on horseback, surrounded by his generals and troops during a victorious military campaign. This high-quality historical painting is signed by the artist H. Desprez.The neck, lid, and pedestal are adorned with imperial symbols: eagle, crown, laurels, and the monogram "N". It features a fine and heavy gilded bronze mount, resting on a square base decorated with rosettes.Notable detail: The inside of the lid bears the red manufacture mark "M.
