Description

A wonderful little faucet for a sink or indoor fountain, made of silver-plated bronze, with a particularly thick original plating that is in fairly good condition. The elegant spout in shape of swan's head fits perfectly, and the beautiful turned wall rosette--it was a luxurious faucet, one that one can imagine mounted above a shell-shaped marble basin in a refined interior. French craftsmanship, early 19th century or Louis Philippe period, Dimensions: 15 cm, rosette diameter: 8 cm. Projection from the wall: 9.5 cm. Thread: 15x21. A superb piece, modest in size and of high quality. Condition: very good. No flaws, no breakage, just a few scratches, Buy It Now: Payment by credit card or PayPal. eclectic -- We are not experts, but we've been in the business for over 50 years. Hassle-free refund if
