

## Eight Antique Crystal Goblets With Engraved Rocaille Decoration, Attributed To Baccarat, Late 19th C

160 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Height : 10

### Description

Set of eight lightweight crystal goblets with rocaille decoration etched with acid. The rocaille decoration is typical of French crystalware from the late 19th-early 20th century. Lattices, scrolls, branches, stylized flowers: this style is very similar to Baccarat's productions from the period 1880-1910. I have conducted research but have not found any documentation that would allow me to attribute these goblets to Baccarat with certainty; the stylistic elements point toward a plausible attribution that is consistent from a stylistic standpoint, but it cannot be confirmed without a Baccarat mark.
