Description

Windsor-style armchair with a turned solid wood seat. In good condition, sturdy, with an antique patina on the wood. This magnificent 19th-century English Windsor armchair is a testament to the time-honored craftsmanship of British cabinetmakers. Its solid oak seat, deeply carved for optimal comfort, reveals a magnificent grain and a rich patina. The spindle-backrest consists of three openwork posts adorned with circular medallions, framed by an elegant curved top rail and harmoniously curved armrests. The turned legs and crossbars ensure sturdiness and balance, while the warm patina bears witness to several generations of use and care. This armchair is a true tribute to the craftsmanship of the rural workshops of that era: both practical and refined, its sculptural presence fits equally well in a rustic
