Description

An impressive pair of Italian wall consoles in carved walnut, dating from the mid-19th century and designed in the Renaissance style. Each console is finely and deeply carved with a putto figure depicted in an elegant contrapposto pose, his arms raised to support a circular, molded shelf intended for displaying an object. The figures are distinguished by their expressive faces, abundant curly hair, and carefully modeled anatomy. Delicate carved drapery surrounds their waists. Dimensions: H 77 × W 32 × D 22 cm (H 30.31 × W 12.60 × D 8.66 inches.)
