Description

Chinese coffee table made of carved wood with mother-of-pearl inlays - 20th century Beautiful rectangular Chinese coffee table, crafted from carved exotic wood and richly decorated with mother-of-pearl inlays. The tabletop features, at its center, a large composition of flowers, branches, and birds finely engraved in mother-of-pearl, complemented around the edges by numerous floral and foliage motifs. The iridescent sheen of the mother-of-pearl contrasts elegantly with the wood's beautiful warm hue. The undulating band is adorned with a floral design carved in relief. The table rests on four curved legs that are also carved in the same style as the armchairs, bench, and side tables in the set. A protective glass top, custom-shaped to fit the piece, covers the surface and helps preserve the delicate
