Description

A distinguished Limoges porcelain dinner service by Chastagner, consisting of 45 pieces. A very elegant design with a simple, classic decoration, featuring white porcelain accented by a wide blue kiln-fired border enhanced with gold fillets. The contrast between the deep blue, the gold, and the whiteness of the porcelain lends the set great elegance. The soup tureen stands out for its lid, adorned with a floral-button-shaped knob surrounded by a delicate gold leaf motif. The handles of the shaped pieces are also accented with gilding. A particularly decorative set, whose extensive composition allows for a complete table setting for 12 guests. Set - 45 pieces: 12 soup plates, 21.5 cm in diameter 12 dinner plates, 26 cm in diameter 12 dessert plates, diameter 22.5 cm 2 pie plates, diameter 31 cm 2 round, deep
