Description

Small vintage storage cabinet made of teak and teak veneer, manufactured in the Netherlands by Kempkes Meubelfabrieken in Waddinxveen in 1960. This piece still bears its original label on the back--Kempkes Meubelfabrieken N.V. Waddinxveen Holland--attesting to its manufacture. It belongs to the Formule Meubelen collection, an iconic line from the Dutch manufacturer, developed starting in the 1950s and particularly representative of mid-century Dutch furniture from the 1960s. Its design is characteristic of this period, with its clean lines, tapered legs, and teak veneer with beautiful grain patterns. The piece features an open shelf in the upper section and a storage compartment with a door in the lower section. The interior is equipped with a removable shelf, allowing you to
