

Miniature Portraits Of Elegant Ladies From High Society Or The Aristocracy.

450 EUR

Period : 19th century

Condition : Bon état

Description

Period miniature portraits or those in the 18th-century style, typical of the elegance of the reign of Louis XVI and Marie Antoinette. Miniatures are generally painted in gouache and fine watercolor, very often on thin ivory plates (or sometimes on vellum or mother-of-pearl), which gives the subjects' complexions that translucent and luminous appearance. Miniature dimensions Diameter 6 cm
Frame 11/10 cm
