Description

A magnificent Louis XV-style chandelier with pendants, dating from the 19th century. The chandelier features an elegant gilded bronze frame richly adorned with numerous cut crystal elements, pendants, dangling ornaments, and crystal daggers. The design is particularly decorative, with several light arms featuring flowing lines, embellished with foliage motifs and numerous crystals. The central section is also adorned with cut crystal elements and culminates in a crystal ball. A refined and spectacular chandelier, ideal for bringing elegance and brightness to a living room, dining room, or entryway. Dimensions: H. 90 × Diam. 48 cm
