

Heavy Sword, Early 18th Century

2 100 EUR

Period : 18th century

Condition : Bon état

Description

Heavy sword with a chiseled bronze hilt with silver inlay. Single-branch guard with a "donkey's step" pattern in the musketeer style; round pommel decorated with foliage. Openwork bivalve shell with matching decoration. Beautiful, large triangular blade engraved with the cutler's mark "Ollie Inetre, cutler in Landau, Anne 1717" and a foliage motif. Length: 91 cm. Tang entirely filigree-worked with silver wire, overlaid with copper. Sheath made of sturdy leather (restored). Pommel integrated into the leather with an iron tip; a large button on the hilt for wearing in a waist pouch. Total length: 111.5 cm
