

"splügen Braü" Pendant Lamp By Achille Castiglioni, Original Edition

480 EUR

Signature : Achille Castiglioni pour Flos

Period : 20th century

Condition : Bon état

Diameter : 36

Height : 21

Description

Achille Castiglioni, an architect and renowned designer, created this light fixture specifically for the interior of the Splügen Braü brewery, which opened in Milan in 1961, drawing inspiration from the industrial design of pressurized beer kegs. The available models are vintage and in good condition, complete with their original shades . The price listed is per unit; a pair is available.
