Description

This carved and gilded wooden mirror, dating from early 20th-century Italy, is a refined example of decorative craftsmanship. The molded frame features floral and foliage carvings, as well as scrolls at the corners, lending it an elegant sophistication. The openwork carving on the exterior--comprising leaves, flowers, scrolls, curls, and architectural elements--further enriches the design. This mirror, with its intricate detailing and gilding, is ideal for spaces that call for a touch of historic elegance and a refined focal point. Product Condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes
