Description

Louis XV-Style Gilded Wood Center Table, Napoleon III Period
Circa 1870
Stunning Louis XV-Style Center Table, in Gilded Wood, Molded and Carved, from the Napoleon III Period. This console table rests on four curved legs joined by a dynamic X-shaped crossbar; the entire piece is richly carved with shells, foliage, volutes, and acanthus leaves. It is topped with a lovely marble tabletop, molded and scalloped to follow the curves of this console. Very beautiful and rich Rocaille decoration. Very lovely gilding. Furniture of exceptional craftsmanship, with elegant and refined lines. This console combines practical utility with the ability to display your art and decorative objects. It also makes for a very attractive display with its harmonious and delicate curves. With its
