Description

Large Louis XV-style cage chandelier with cut crystal pendants. The gilded bronze frame features eight curved arms and numerous crystals topped with rosettes. The central shaft is adorned with a dagger at the top and bottom of the chandelier, as well as a blown-glass crystal ball in the center of the cage. It features dual lighting: the 8 lights are positioned on one level, and 3 bulbs are located inside the cup. The chandelier is electrified. [LEARN MORE](#)
