

Kanak Club With Bird-beak Tip - New Caledonia, 19th Century

950 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 74,3 cm

Description

This bird-headed club--as Europeans called them upon their discovery in the 18th century--is one of the most iconic forms of Caledonian weaponry. In very good overall condition, with some signs of wear consistent with its age and use.
