9 700 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

An elegant ring crafted from 18-karat yellow and white gold, featuring a stunning 7.33-karat radiant-cut citrine at its center. The center stone, with its warm golden hues, is enhanced by a setting of 12 pear-cut diamonds totaling 0.87 carats, complemented by 8 brilliant-cut diamonds totaling 0.21 carats, for a total diamond weight of 1.08 carats. The two-tone 18-karat gold setting (750) provides a beautiful contrast. Yellow gold complements the citrine's luminous color, while white gold highlights the diamonds' brilliance. Weighing a total of 11.98 grams, this ring makes a striking statement on the finger and features a lavish jewelry-quality finish. A luminous and elegant piece, ideal for those seeking an original, precious, and easy-to-wear citrine and diamond ring.
