Description

A spectacular 18-karat yellow gold ring set with multicolored sapphires totaling 4.44 carats, enhanced by 0.40 carats of diamonds. This ring stands out for its graphic design and remarkable play of colors. The various sapphires form a truly precious mosaic, blending shades of pink, blue, green, and orange. The stones, with their elongated geometric shapes, are arranged on several levels to generously adorn the finger. Their setting is delicately accented with diamonds, which bring light and sparkle to the entire piece. With its bold mix of colors, geometric design, and playful character, this ring fits perfectly into the "whimsy" trend, which today celebrates jewelry that is freer, more playful, and more expressive. The combination of multicolored sapphires, the sparkle of diamonds,
