Description

Mirror designed by Renata Boero for Fiam. Eclectic anthropomorphic mirror. Mirrored and screen-printed glass produced by Fiam in the 1980s. Renata Boero was born in Genoa in 1936; she studied the humanities in Switzerland and then art in Genoa. A student of Emilio Scanavino, she participated in the Rome Quadriennale in 1959. Produced by Fiam, the first Italian company to manufacture curved glass furnishings, founded in 1973 by Vittorio Livi. Over the years, the company has collaborated with designers and artists such as Cini Boeri, Ron Arad, and many others. The mirror is in excellent condition and features the original label with the artist's signature. DIMENSIONS: Height 103 cm; Width 90 cm; Depth 5 cm
