Art Deco Desk Set Made Of Chrome-plated Metal And Bakelite - Circa 1930

250 EUR

Period : 20th century

Condition : Très bon état

Material : Chromium

Description

Art Deco-style desk set consisting of three matching pieces, combining polished chrome metal with black Bakelite elements. Geometric and architectural design typical of the 1930s. The set includes: A cantilever desk clock: A mechanical clock suspended from four square-section supports. Rectangular bases and top shelf made of black Bakelite. Dials with Arabic numerals protected by a domed glass cover. Supplied with its original winding key. The word "DEPOSÉ" is inscribed beneath the base along with the serial number. An inkwell/pen holder: Rectangular chrome-plated metal base edged with moldings. Two holders for pens or fountain pens made of black, notched Bakelite. Central section featuring rectangular compartments and two removable black Bakelite
