Description

An exceptional set of 15 identical doors plus one. In the Louis XIV style, they come from a 19th-century castle--specifically from 1869--that was demolished. There are 15 double-sided doors and one single-sided door. They all have their original hardware, six in bronze and the rest in iron. They are in perfect condition; they only need to be stripped or repainted. The listed price is, of course, for a single door... It would be a shame to split up this lot. If you purchase the entire lot, we may be able to work out a deal on the total price. Worldwide shipping available.
