Description

This Delftware lamp dates from the 19th century; its rich, Chinese-inspired decoration, in blue on a white background, consists of arabesques, stylized flowers, and feathers, with four birds painted all around the body. The vase alone measures 36 cm; the entire lamp, including the shade, measures 60 cm. It has just been wired for electricity and is in excellent condition. We are presenting it with a basic lampshade that does not justify the cost of shipping. On the reverse, it bears the VDUYN mark surmounted by two dots. Date: late 19th century.
