Description

A pair of French bedside tables dating from the second half of the 20th century. These Louis XV-style pieces feature serpentine, bombé contours and are finely adorned with geometric marquetry in rosewood and fruitwood. Well-proportioned and attractive, they come with their original, high-quality marble tops. Ideal for a bedroom or living room, each unit offers three spacious drawers. The tables are embellished with chased, gilded metal mounts and handles (bronze-toned; see photos). Structurally sound and solid, the pieces are overall in good condition.
